

THE Blue Jay

1961

First a glimmer then a gleam

At last a steady glow.

Here are the highlights of our four years at Jonesville.

May the accomplishments recorded herein brighten the paths of our future life

May it brighten the past when our memories grow dim.

We Honor . . .

Mrs. Kate Key

With *K*indness and consideration, you have *A*lways taught each student as if he were your own child.
We *T*hank you for putting your every *E*ffort into your work of preparing beginners for higher schooling.
Starting and *K*eeping a small, growing child's mind *E*mployed upon education is a task *Y*ou have handled expertly.

For many years to come, students who have learned the values of understanding service that you teach, will look back to fond memories of their schooling—and Mrs. Key—the memories that you have left imprinted within us will never be forgotten.

It is hard to tell whether Mrs. Key is trying to line her pupils up for a picture or trying to keep them from eating the fruit!

"Injuns eat-um fruit when heap big man with 'magic box' go!"

To

Thee

Our

Alma

Mater . . .

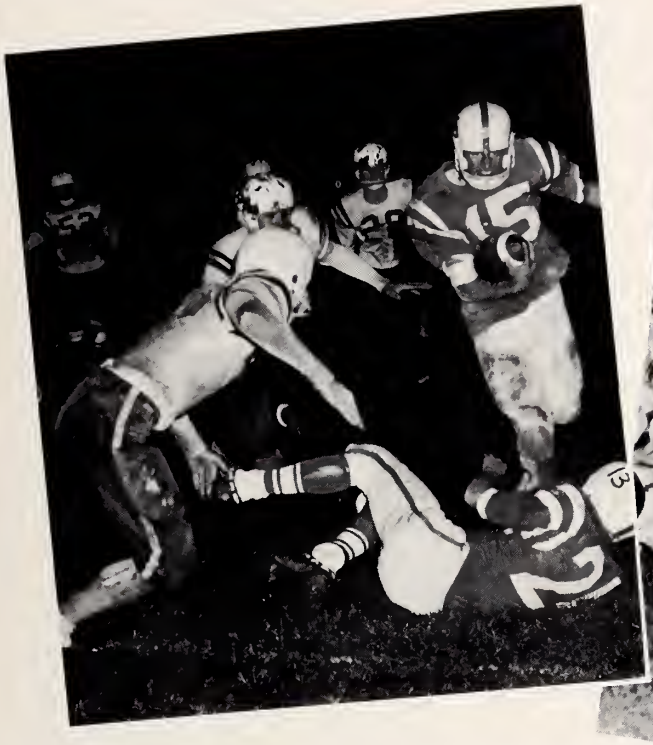

We will have these Moments To Remember . . .

At work or play, the fun we found . . .

The day we tore the goal post down . . .

The quiet walks . . .

The noisy fun . . .

The ballroom prize we almost won . . .

When other nights and other days

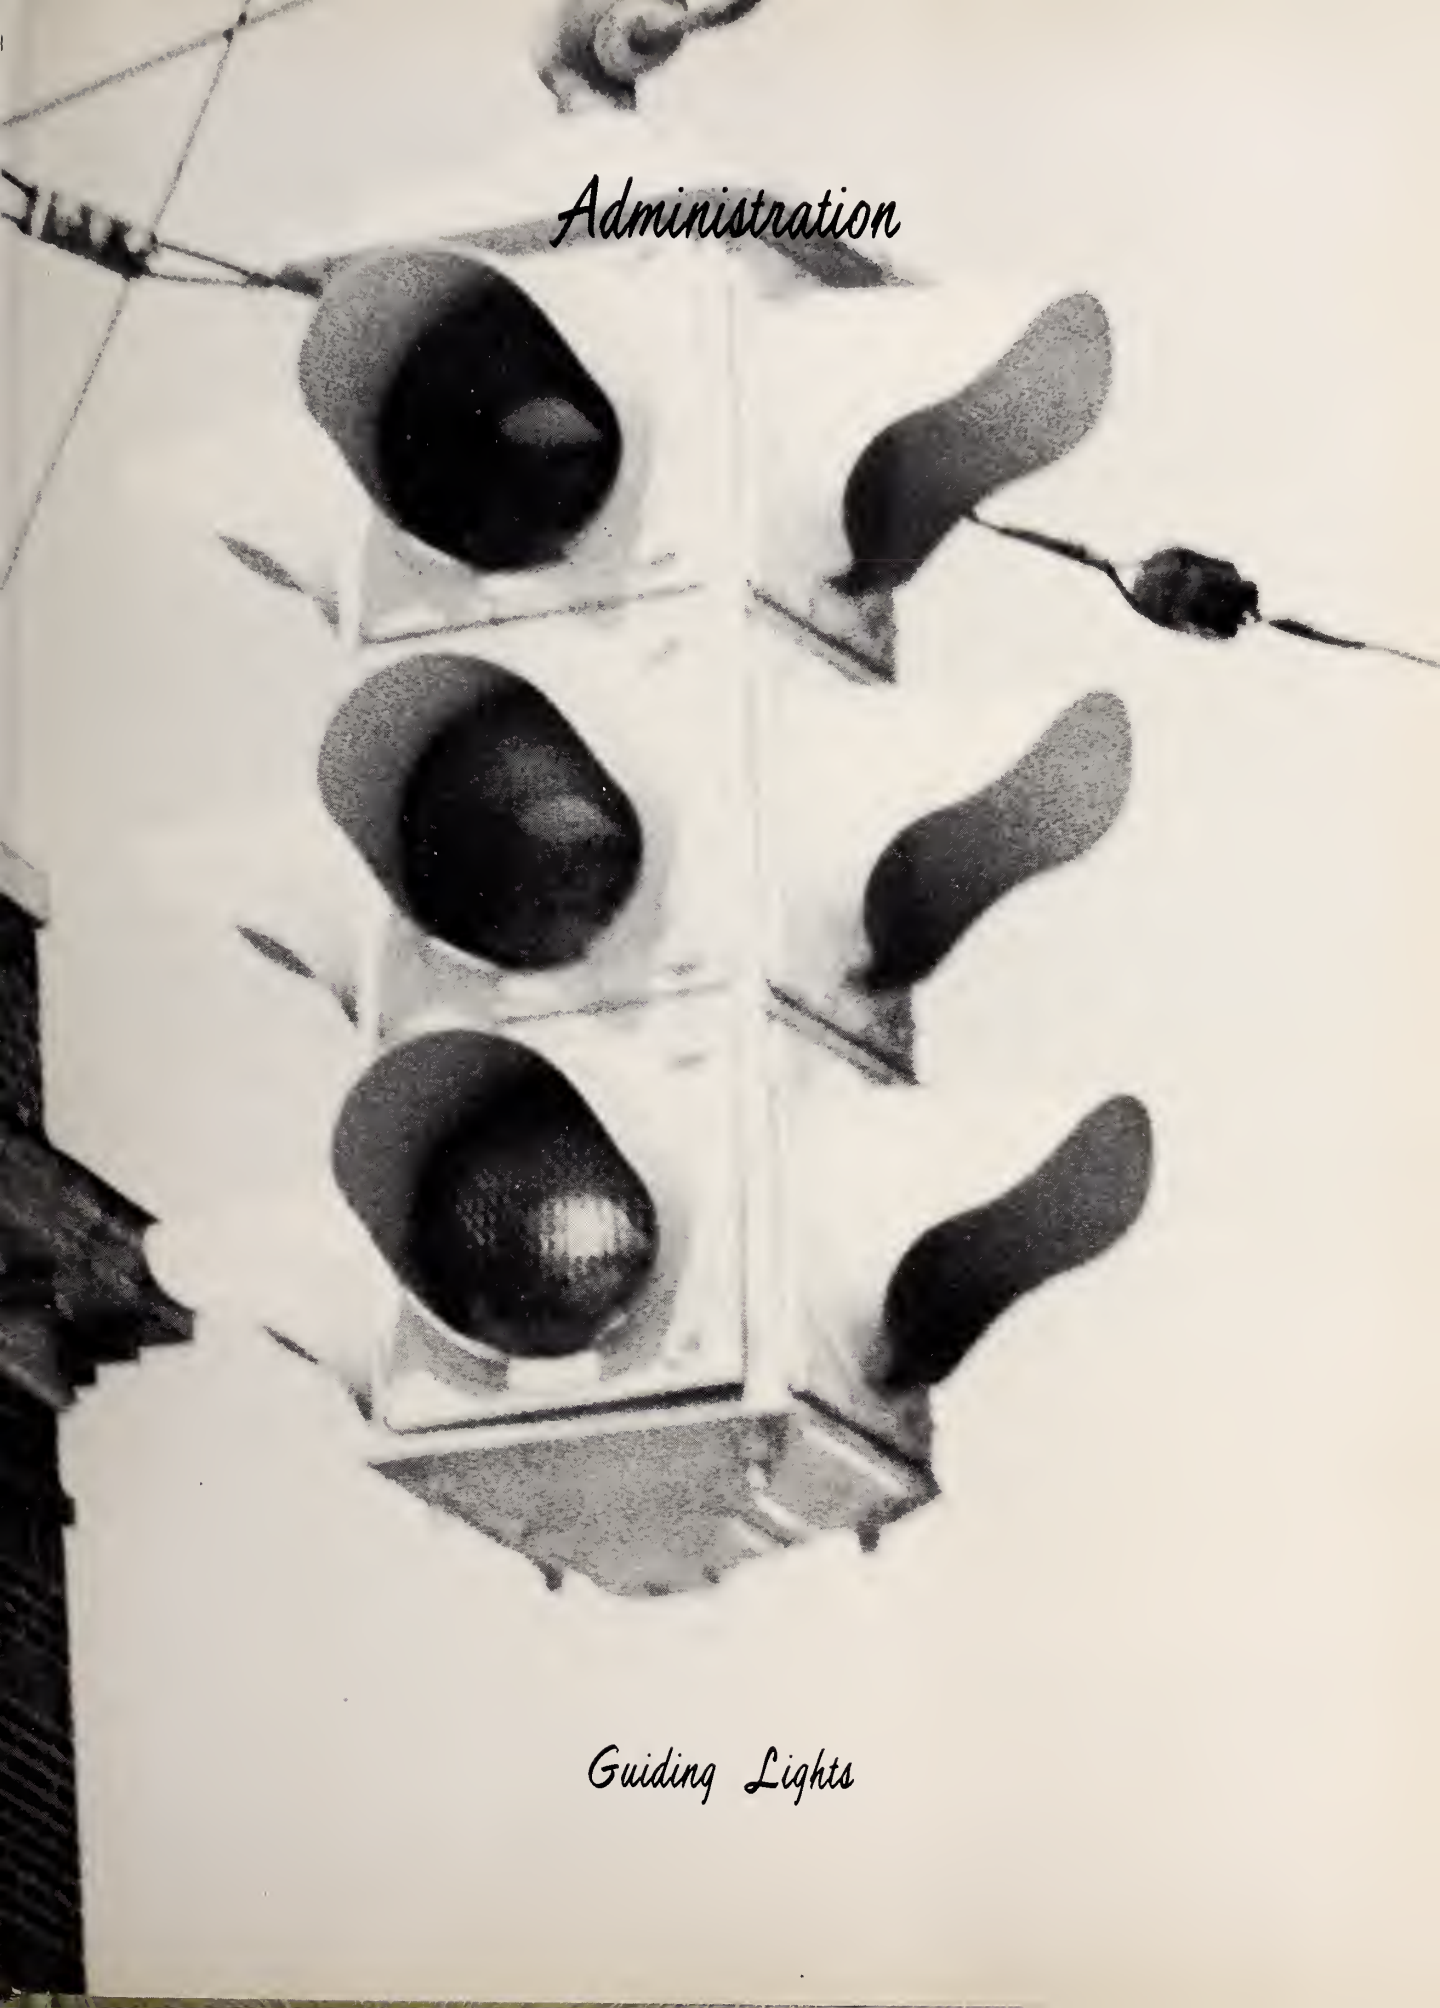

Will find us gone our separate ways

We will have these Moments To Remember . . .

Guiding Lights

Mr. Herman Griffin, our principal, enters into his second successful year of leading the students of Jonesville School toward higher goals in education and athletics. He has stressed the privilege of acquiring an education, and of taking advantage of that privilege. He believes that sports and studies may be combined for the students' enjoyment. Mr. Griffin is a devout supporter of our athletic teams and relaxes from his responsibilities as principal during games.

Principal

Here we find Mr. Griffin in one of his lighter moments as he takes a break from the toil and trouble of guiding "little peons" to enjoy the news from the outside world.

School Board

Our school board, consisting of Mr. Marshall Adams, Mr. Roy Boles, and Mr. Bob Snow, works for the benefit of the school whether it be socially or educationally.

Superintendent

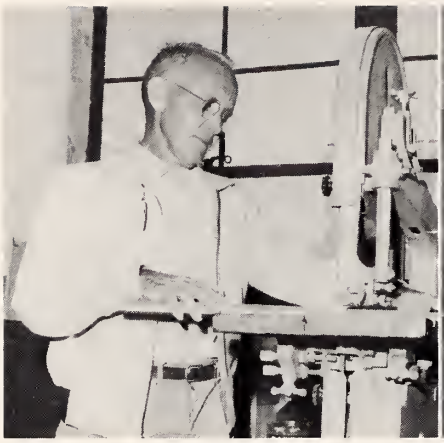

Mr. Fred C. Hobson, our county superintendent, makes certain that our school is kept modernized, progressive, regular, and—most of all—busy.

Secretary

Mrs. Ruth Boles, school secretary, lightens the work of our principal by keeping our office records correct and by confronting all visitors with a cheery smile.

Faculty

Mr. Hugh Partin, agriculture teacher, teaches our boys anything from the setup of machinery to the fundamentals of farm life.

Miss Ann Wilhelm stresses speed and accuracy in shorthand, typing, bookkeeping, and business arithmetic.

Miss Mary Speer, our guidance counselor, does not measure people with a yard stick as often as she measures figures in her algebra, geometry, and trig. classes.

Mrs. Faye Byrd, English teacher and librarian, varies her courses of study from the conjugation of a verb to the "Rime of the Ancient Mariner" or to the filing of a library card.

Mrs. Jane Holcomb points out to us that it is important to know the French country as well as the French language.

Mr. Joe Stroud, General Math and Physics teacher, relaxes while his general math students take one of his difficult tests.

Mrs. Louise Randleman, Science and Biology teacher, explains the formation of the earth using as an illustration one of the science projects.

Mr. John Mathis, basketball coach and history teacher, notes that the map is very important in American and World History. By the way, Coach, where is that Mason-Dixon line?

Mrs. Ola Hendren, Home Economics teacher, illustrates only one method of preserving foods. In all classes, she stresses neatness in preparing food and clothing.

Faculty

Mr. Frank Poteat, driver training instructor surely has nerves of steel to try to teach some of our students to drive.

Mrs. Logene Hood, our English teacher, keeps her students on the go with grammar, writing themes, and studying the Shakesperian plays.

Football Coach, Health and Physical Education, and Social Studies teacher, Mr. John Charles, keeps all of his courses up to par in teaching, learning, and an added bit of humor.

Miss Pearlie McGhee, Mrs. Ruby Canipe, and Mrs. Kate Key, know that music must be taught to our first graders, as well as reading, writing, and arithematic.

Mrs. Hazel Nolan, Mrs. W. L. Wilson, and Mrs. Iris Canipe help our second graders learn more about nature and the animals that depend on us.

Mrs. Mary Harris, Mrs. Katherine Wilkins, and Mrs. Ruth Crissman know that a third grade student's curiosity interests him in different types of literature.

The 4th grade teachers, Mrs. Bray, Mrs. Finger, and Mrs. Dudley help our students to use library books in their work.

Faculty

Miss Parks, Mrs. Adams, and Miss Brann lead our 5th graders with cheerful smiles, as well as ability and interest, as they end another day.

Mrs. Dyar, Mrs. Phillips, and Miss Norman discuss plans for teaching our 6th graders how to use the reference finders.

Relaxing and teaching seem to go hand in hand as our 7th grade teachers Mrs. Kelly, Miss Roberson, and Mrs. Reece prepare a lesson for the students.

Political education is but one of many courses taught by our 8th grade teachers Mr. Phillips, Mr. West, and Mr. Davis.

A cup of coffee—a soft, easy chair—quietness—now we know what makes our teachers go!

Tired teachers lounging in the lounge!

"Extra-Curricular" for teachers

Teacher's meeting: "This is what we have on the torture list, today."

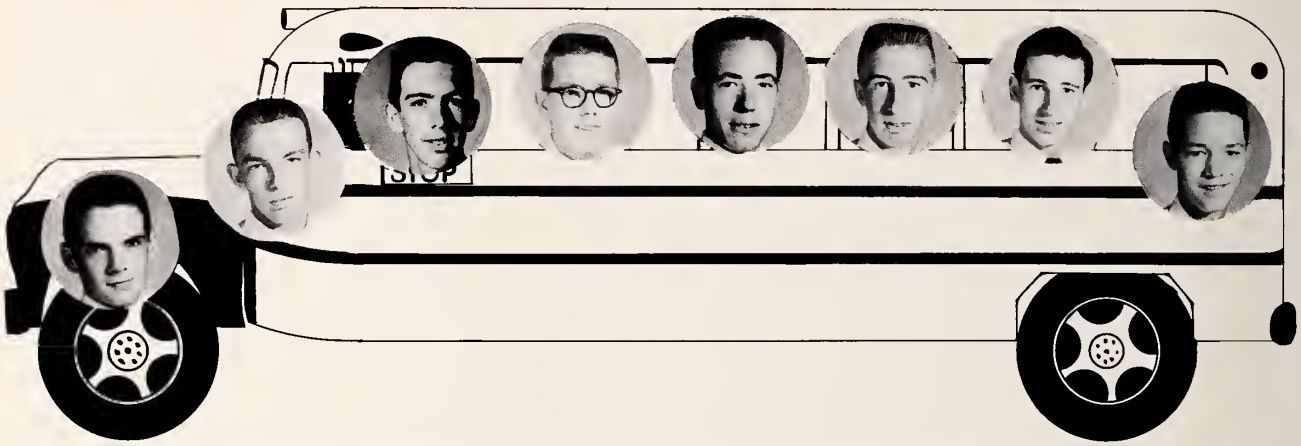

Why all the smiles???? It's Pay-Day!!!!

Styles that do credit to Fifth Avenue are created in Mrs. Hendren's adult class.

Miss Speer's new office is a familiar place for students seeking guidance.

Never underestimate the ability of our bus drivers to get pupils here on time and in all sorts of weather.
Larry Wagoner, Larry Chappell, Larry Cheek, James Pickett, Odean Bryant, Ronnie Macy, Dallas Foster and Larry Muncus.

A familiar sight and ready to lend a hand is Larry Long, our custodian for many years.

Allan Spicer is a willing and faithful worker around the Elementary School.

No wonder Visitors often compliment our food for we have the best lunchroom staff to be found.
Seated: Sadie Vanhoy Myrtle Ray, Lois Harris, Doretha Rose *Standing:* Estelle Byrd, Ethel Adams, Lorene Ingool.

One of the last nights before my operation my mother and I were praying for GOD to help me and guide my doctor's hands through the operation. I saw a Glorious Angel of GOD. My room was light all over. The Angel paused at my bed and smiled at me and then disappeared. But I think that if that Angel hadn't stopped and smiled I wouldn't be alive today.

When I do walk the last mile of the way I shall not be afraid or lose hope. I will not be discouraged by the awesome figures along the way, I will not lose courage or faith and I shall not stop until my goal is reached.

I may find friends along the way to walk with me. I will be glad, and I will thank GOD and look ahead toward my destination with new hope and faith.

And then I shall finally reach the dark, beautiful river that flows into Heaven, I shall kneel and thank GOD for the guidance to follow the right path this far.

And when I get into the Glorious boat, I shall think of the world I have left, but I will not want to go back, I will go down the glorious river to Heaven.

Remember, the story at the top is not fiction, neither is GOD.

Written by Jimmy Pardue in the spring of 1960 at the age of 12. Jimmy departed this life November 23, 1960, leaving behind a warm and everlasting example of faith, courage, and love.

Activities

"Lights that sparkle with activities"

Judy Wolfe and Jenny Smith our co-editors have put many hours of hard work into making our 1961 Blue Jay a success.

The 1961 Blue Jay Staff

The Annual Staff seeks to portray the life of our school in the Blue Jay. It tries to do this in a manner which will make a deep and lasting impression on the students. Although publishing the annual requires many hours of hard work and deliberation, it also provides a spirit of co-operation and teamwork. The finished Blue Jay is a source of pride for all staff members.

Jerry Ann Martin, Feature Editor; Virginia Montgomery, Art Editor; Brenda Martin, Sports Editor; Patsy Thomas, Assistant Sports Editor. Each with their separate tasks contribute many parts.

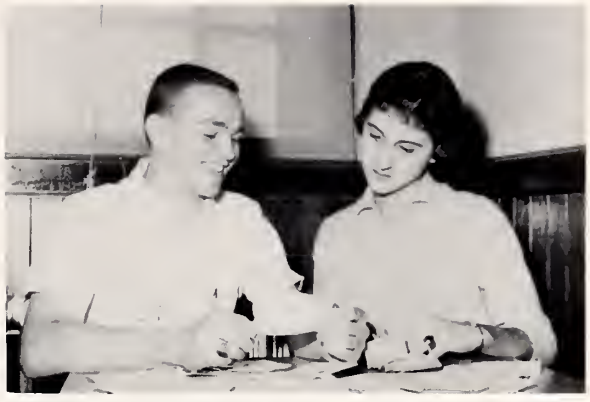

PHOTOGRAPHY STAFF

Seated: Brenda Pepper, Judy Pinnix, Mildred Jenkins, Mary Calloway, Billie Ann Hartsell, Duff Freeman. *Standing:* Gerry Knight, Bernice Vestal, Ray McBride, Sue Ray, Judy Evans, Barbara Billings. Their duties are varied but the pictures are the most vital part of the yearbook.

The person to whom the school and the annual staff are indebted is Miss Mary Speer, who does a very commendable job as advisor and leader.

Handling our business affairs are Eddie Wooten, Business Manager and Linda Wood, Assistant Business Mgr.

CIRCULATION STAFF

The detailed work of the circulation staff is a vital part of our annual, and Jolene headed a group who worked well. *Seated:* Louise Masten, Kathy Smith, Jolene Weatherman, Una Combs, Bobbie Feimster. *Standing:* Linda Smith, Laura Montgomery, Sharon Tilley, Judy Shores, Mary Jane Reece.

ADVERTISING STAFF

Income from advertising helps to produce a yearbook with a first place rating by Columbia Scholastic Press. Thanks! *Seated:* Virginia Montgomery, Una Combs, Jolene Weatherman, Jenny Smith, Edward Wooten, Linda Wood, Judy Wolfe, Billie Ann Hartsell, Patsy Thomas, Mary Calloway, Judy Pinnix. *Standing:* Larry Wagoner, Linda Smith, Mike Boles, Laura Montgomery, Bobbie Feimster, Charles Collins, Sue Ray, Kathy Smith, Mary Jane Reece, John Kelly, Judy Evans, Ray McBride, Barbara Billings, Jerry Ann Martin, James Swaim, Phyllis Stanley.

Student Council

First row: Jerry Finney, Patsy Thomas, Paul Reynolds, James Swaim, Eddie Wooten, Charles Collins. *Second row:* Laura Montgomery, Yvonne Colvard, Ricky Hagwood, Scooter Parker, Harry Groce, Albert Macemore.

Mr. Charles, the able sponsor of the Student Council, is always full of interesting and worth-while suggestions. He is willing to devote his time in order that the Student Council may be improved.

Eddie Wooten, Treasurer, and Jerry Finney, Vice-President, are trying to interest Laura Montgomery, Secretary, and Paul Reynolds, President, in buying a school jacket.

The Student Council tries to promote student participation in the school plans. The Student Council sponsors several worth-while projects for the betterment of our school. Of these projects, the sale of school jackets is the most profitable financially. In weekly meetings they discuss school problems and improvements. They bring their ideas to the faculty for consideration. The council is in charge of chapel programs and has made many improvements in presenting programs to the student body. The Student Council is to be represented at the State Convention in the spring.

Beta Club

Judy Wolfe, Laura Montgomery, Jerry Ann Martin, Glenda Vanhoy, Stephen Canipe, Edward Wooten, Jenny Smith, John Kelly, Jr., Linda Armstrong, Linda Wood, Bernice Vestal, Jolene Weatherman, Richard Nance, John Shaw, Mike Boles, Billie Hartsell, James Swaim, Duff Freeman, Jerry Finney, Linda Smith.

Mrs. Logene Hood, sponsor of the Beta Club, not only supervises our club in achievements of merit and honor, but also adds a lighter side to the character of a true Beta.

President Bernice Vestal is presiding at a meeting of the Beta Club officers attended by James Swaim, treasurer; Linda Smith, vice-president; Jenny Smith, recording secretary; Judy Wolfe, corresponding secretary; and Linda Armstrong, chaplain.

The Beta Club is an honorary club for students achieving high standards in character, in academic work, and in leadership. The Beta Club holds regular meetings and promotes several worthwhile projects during a school year. Each year is ended by the state Beta Club Convention held in Asheville and in Raleigh on alternate years. The convention is, according to recent reports, something to really look forward to.

Monogram Club

First row: Chris Canipe, Sue Ray, Larry Harris, Patsy Thomas, Larry Adams, Bobbie Feimster, Donald Adams, Mary Jane Reece, Larry Brannon, Judy Wolfe, Ray McBride, Jr. *Second row:* Jerry Knight, Scooter Parker, Bobbie Bryant, Kathy Smith, Jenny Smith, Sharon Tilley, Mary Frances Calloway, Sarah Pardue, Phyllis Cheek, June Carol Fisher, Larry Shoemaker, Billie Hartsell. *Third row:* Judy Evans, John Shaw, Eddie Wooten, Linda Wood, Loyd Spicer, Mike Boles, James Swaim, Brenda Martin, Ronnie Bray, Don Burcham, Bernice Vestal. *Fourth row:* Seth Cheek, Larry Wagoner, Kenneth Haynes, Richard Nance, Dewitt Collins, Paul Reynolds, Hoyt Royall, Jerry Finney, Oren Williams, Charles Collins, Duff Freeman, John Kelly.

Our sponsor, Mr. Mathis, is the main figure behind the success of our club. He is always on hand to give suggestions and guide our club plans.

Mike Boles, president, and John Shaw, reporter, are discussing the 1959 Yadkin Valley Football Championship; while Jenny Smith, secretary, is daydreaming about the important game coming up. Duff Freeman, vice-president, is showing Linda Wood, treasurer, pictures of hi-lites in previous years' games.

The purpose of the Monogram Club at Jonesville is to give distinction to the athletes and those who work with them. The Monogram Club works with the Jonesville-Arlington Lions Club in order to improve our playgrounds and athletic field through an annual talent show. A thrilling day for seniors is when they receive jackets purchased by the club.

Tri-Hi-Y

First row: Judy Pinnix, Gerry Knight, Billie Sue Vestal, Rosemary Snipes, Barbara Williams, Johnnie Myers, Patsy Patterson, Barbara Billings, Bobbie Bryant, Brenda Ingool, Lynn Stanley, Peggy Case, Glenda Caudle. *Second row:* Judy Shores, Sarah Colvard, Billie Hartsell, Louise Masten, Jerry Ann Martin, Jolene Weatherman, Jenny Smith, Mary Jane Reece, Barbara Dyar, Brenda Sparks, Mildred Swaim, Patsy Thomas, Shelia Gilliam. *Third row:* Una Combs, Judy Royall, Rose Patton, Rose Ann Casstevens, Virginia Montgomery, Linda Wood, Linda Eller, Sarah Pardue, Phyllis Cheek, Judy Evans, Saunders Boles, Mary Frances Calloway, Judy Wolfe. *Fourth row:* Linda Cockerham, Carol Mendenhall, Sharon Tilley, Sue Ray, Bobbie Feimster, Ginny Knight, Judy Underwood, Nina Gregory, Brenda Martin, Linda Smith, Laura Montgomery.

Mrs. Barbara Brown has acted as Tri-Hi-Y sponsor for the past two years, because of her willingness to work and her love for young people. Our club is indeed grateful.

Mary Jane Reece, Reporter, and Jolene Weatherman, Chaplain, say that selling candy is no problem for them while Judy Wolfe, President, and Sharon Tilley, Vice-President, sit aside and study their technique. Linda Smith, Treasurer, and Linda Wood, Secretary, secretly exchange their ideas on how they go about this project to raise money.

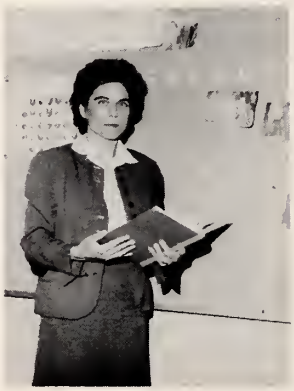

In Tri-Hi-Y the girls have special occasions in which to help others. They also provide fun for themselves and other classmates by sponsoring dances and parties which brighten up the school year.

F. T. A.

Able sponsor of the Future Teachers Club, Mrs. Jane Holcomb, works with and encourages our students who wish to become teachers.

President Duff Freeman is doing a good job of planning the year's work along with Linda Wood, Secretary; Jenny Smith, V. Pres.; and John Shaw, Treasurer.

The Future Teachers of America club is made up of boys and girls in high school who are considering teaching as a vocation. The members are given the privilege of substitute teaching sometimes. This is done to give them the experience and responsibility of teaching as well as aid a member of the faculty in an emergency.

Science

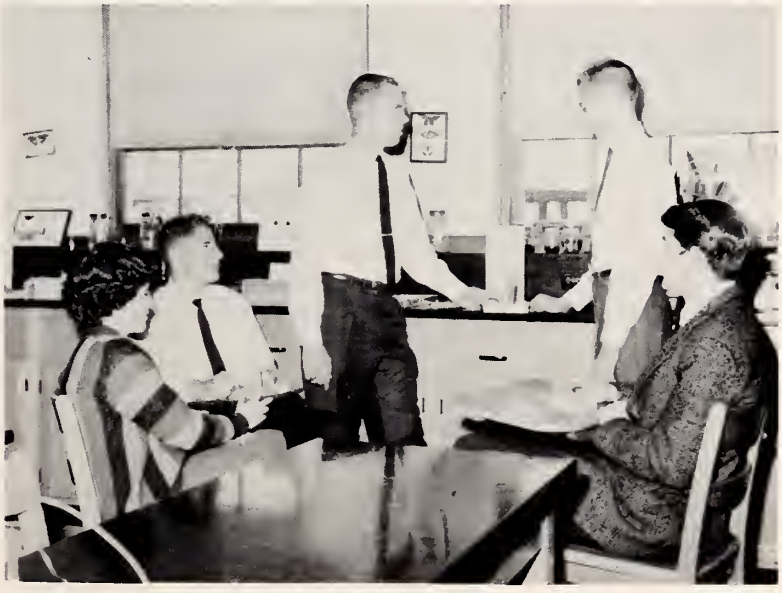

First row, seated: Barbara Williams, Barbara Billings, Linda Cockerham, Rosemary Snipes, Shelia Gilliam, Stanley Martin. *Second row, seated:* Wanda Holcomb, Rose Patton, Rose Ann Casstevens, Judy Underwood, Ginny Knight, George Vignault. *Third row, seated:* Steve Canipe, Dennis Johnson, Ricky Hagwood, Richard Nance. *Standing:* John Shaw, Kenneth Haynes, Mike Boles, Duff Freeman, John Kelly, Jr., Gail Finney, Albert Macemore, Richard Woody, Clarence Freeman.

The sponsor of the Science Club is a person who is always ready to give advice or encouragement to interested persons. As sponsor, Mrs. Louise Randleman is constantly striving to help the students in whatever they are attempting to do.

President John Kelly and Vice-President Mike Boles are ready to test one of their chemical reactions. Richard Nance, reporter, John Shaw, treasurer, and Barbara Billings, secretary, are paying strict attention; or could it be that Barbara is just trying to play hands?

The Science Club was organized so that the members might have a means to increase their knowledge and interest in science. Some meetings are used for programs of interest to the members; during other meetings, the members work on projects of their own.

Girl Scouts

Seated: Glenda Caudle, Mary Gray Morrison, Saunders Boles. *Standing:* Barbara Dyar, Carol Mendenhall, Barbara Billings, Shelia Gilliam, Phyllis Stanley.

Mrs. Stanley has taught the Girl Scouts in Jonesville for many years. She has always been willing to guide and lend a helping hand to each scout.

The Gurved Bar is the highest rank a Girl Scout can hold. In earning this, she has made herself known as having certain skills that will be used through the rest of her life to better their homes, schools and communities. The first and only in Jonesville to have earned this rank are these six girls: Glenda Gaudle, Carol Mendenhall, Saunders Boles, Sheila Gilliam, Barbara Billings, center front, Mary Gray Morrison.

Juliette Low founded the Girl Scouts for the sole purpose of developing their best qualities and molding their personalities. Scouts enjoy games, nature and hiking in addition to the work they put in Scouting.

Curricular

Typing 11 is only one of three commercial subjects for pupils in their senior year. It looks like some efficient secretaries in the making.

With emphasis on science this Biology class has no time for play.

Plane Geometry goes hand in hand with science.

The Physics class seems absorbed in an experiment. Let's go away before we disturb them.

Since many of these will be taking college English next year, they are taking advantage of Mrs. Hood's instruction.

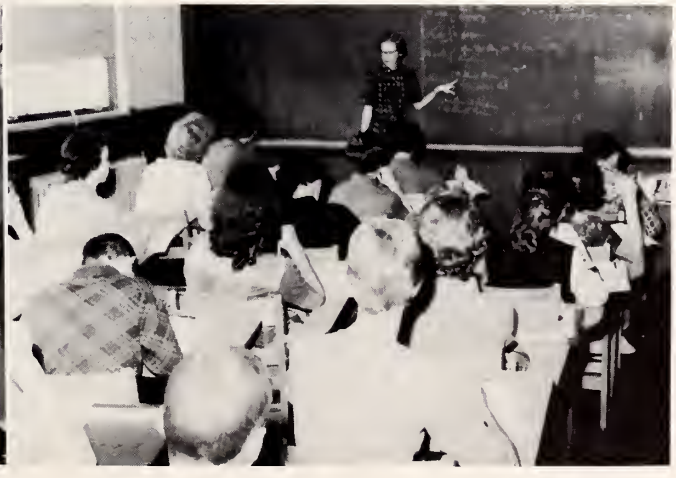

There's a bit of amusement in the air—but the French are noted for light heartedness.

Learning about the use of the library is very necessary as this English 111 class is aware.

Here we see freshmen studying parts of speech—so necessary to understand fully.

Curricular

American History is vitalized by both television and Mr. Mathis.

Such interest is not unusual in Mr. Charles Sociology Class, even if it is the 6th period.

Health and Physical Education is a required course which is really enjoyed.

Pupils often make reports in World History as Albert is doing now.

Bringing back memories

The study of wallpaper, draperies, and upholstery is a part of the second year in Home Economics.

Freshmen girls are cutting and fitting patterns. They really turn out some attractive clothes.

Driver Training is a popular and useful course. Even girls need some knowledge of motors.

Agriculture classes are quite varied in interests and activities.

Coach John Charles, head coach, has done an outstanding job working with and producing a football team of which we are all proud. Not only is Coach Charles respeeted by his athletes, he is loved and respected by students and fans for his wholesome, sportsmanship-like attitude toward the game and toward life.

Manager Eddie "manages" some encouragement for hustling Otis Ford.

Ready! Set! Push-um back, Blue Jays, Push'um back!

Blue Jay on the ramble!

"Tiger" Reece on the rage!

Assistant Coach John Mathis, joins the players in joy as they celebrate a victory. Not only known as a coach and teacher, but Coach Mathis is also known as a friend to students and athletes with whom he works and plays.

Williams, Cheek, Canipe, and Roberson—four players—one idea.

Charles Collins and Oren Williams—only two in a Blue Jay stronghold.

Hit'um high—Hit'um low—Makes no difference—just don't let go!

Otis, Duff, and Charles clear the way for John.

Two more points for Sharron—the hard way!

Brenda Martin goes high for another basket!

Freshman Ginny watches as Junior, Pat Thomas, shows her how to block a shot.

It's a bird—it's a plane—correction please, it's only a foul.

Sarah battles for a rebound while Bernice and Brenda wait to assist.

"But you can't have it all the time ", Sue and Bernice (10) tell this fallen forward.

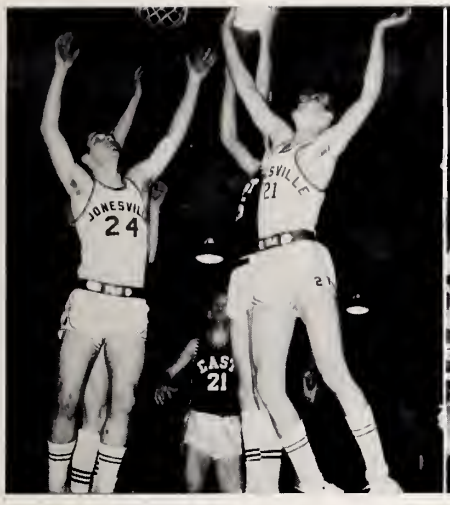

"Make one more move . . . and I'll shoot!" Judy Wolfe seems to be saying.

Judy and Brenda out-smart another guard!!

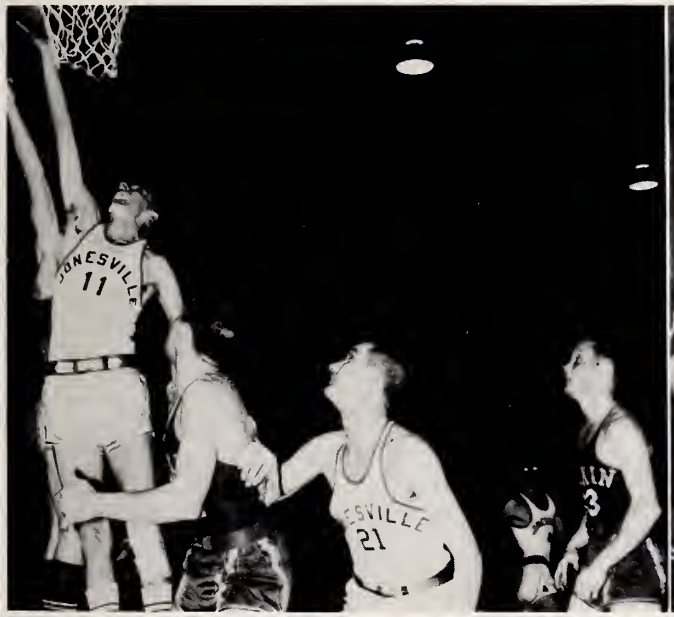

Oren and Yancy reach high for this rebound.

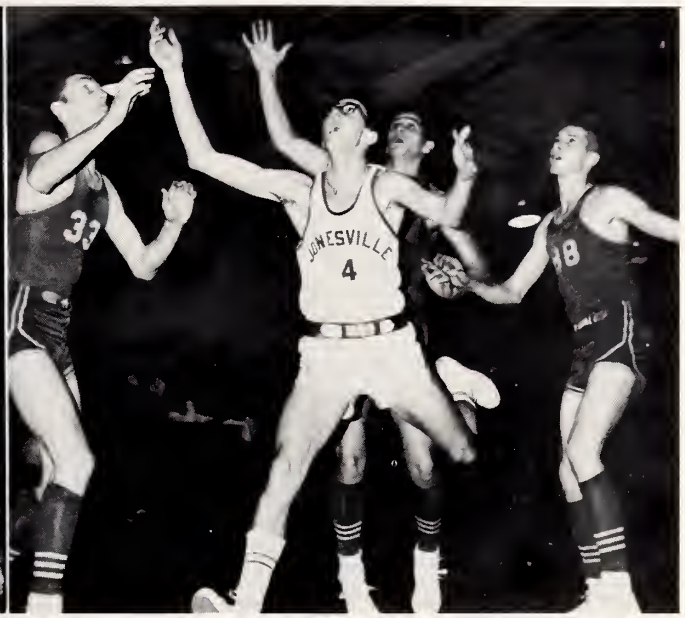

Paul is all up in the air about something!

Jumpin' Jerry just got two more!

No question about who got the rebound—or the elbow!

Here it comes again boys—and I think it's mine.

Gosh, Dewitt, surely it's not that bad.

. . . Everybody grab hold this time . . .

Donald is *always* ready on defense. (Aren't you. Don?)

Along with the brightly burning athletic flame that we have in our school, the baseball spark is continually growing brighter. Our new baseball field is one reason for this increasing popular sport. Not only did Coach Charles have able assistance in his coaching, but he also had a team of eager, hustling players. The team had 5 wins against 4 losses, and next year the team should prove to do even better.

Inexperience proved to be one of the weaker points, but that was overshadowed by the hustle with which the team played. When the regular season ended, the Blue Jays continued playing in the summer league. This brought out a lot of potential strength in batting and fielding hat will come in very handy next year when the Jays will again begin their season on the diamond.

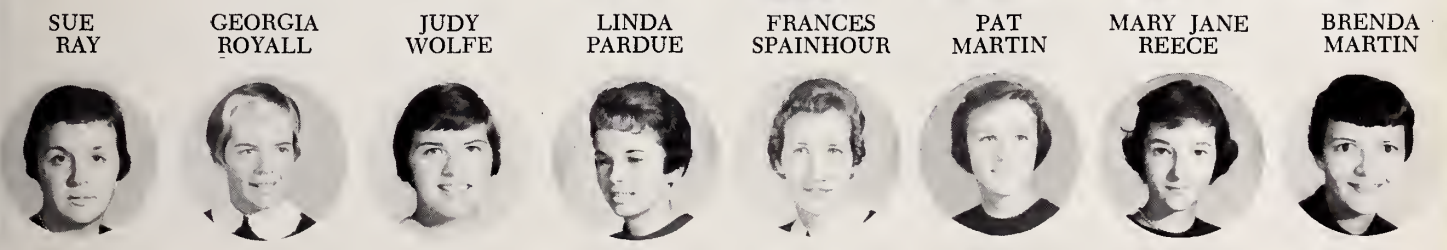

The girls softball team, organized four years ago, continues its undefeated rating by compiling 4 more wins against no losses.

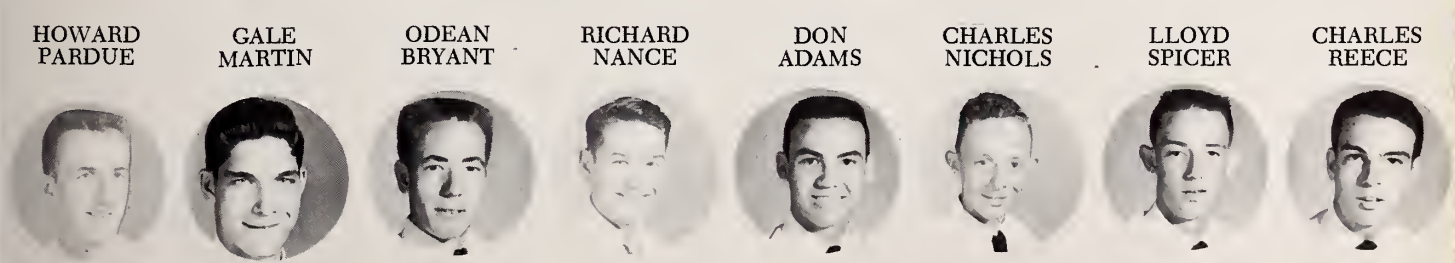

With superb fielding, batting, and pitching, even inexperience is seldom a handicap. Losing only 3 girls by graduation, the team should have considerable power for next year and for years to come.

"Hey you up there, you ain't paying attention! Would you do any better if you had three-dimension? We're standing down here giving it all we got, but it takes you all to make the team hot." This was a familiar cry of the Jonesville cheerleaders during the year. Always working to boost team morale and school spirit, our cheerleaders present at every game, are the personification of Jonesville school spirit.

Cheerleaders bring sparkle to J.H.S.
